Professional trading in flate and tenements continued yesterday to be the principal feature of the market. It was considerable in volume and was widely distributed, reflecting a more general activity than is usual at this time of the year. A number of building sites, including several plots now occupied by antiquated houses, were bought for improvement. While the bulk of the dealing was in low grade multifamily houses and in lots suitable for houses of that class, there was also a fair demand for private dwellings. The middle West Side was well represented in the trading. A majority of the transactions, however affected the eastern side of Manhattan north of Twenty-seventh street. No busi-ness was done in the Vessy street auction

Private Sales.

FIFTY-FOURTH STREET.—Collins & Collins have sold for Miss Teresa Snyder to Latham G. Reed No. 113 East Fifty-fourth street, a four story and basement brownstone front dwelling, on lot 17.82100.5. stone from dwelling, on lot 17.81100.5.

Plans were filed with the Manhattan Building Bureau for a new twelve story apartment house, of limestone, brick and terrs cotta, to be built for the Gotham Building Construction Company, of which Henry L. Felt is president, at the southwest corner of Central Park West and Eighty-sixth street. It will be 102.2 feet front and 140 feet deep and is to cost \$950,000. Mulliken & Moeller are the architects.

cost \$350,000. Mulliken & Moeller are the architects.

Plans were filed also for a ten story apartment house to be built at the northeast corner of Lexington avenue and Sixty-sixth street for the East Eighty-sixth Street and Studio Building Company. It will have a frontage of 170 feet and a depth of \$3.5 feet and is to cost \$700,000. The architects are Simmonson, Pollard & Steinam. Other Manhattan plans included a nine story factory on the south side of Seventeenth street 425 feet west of Sixth avenue, to cost \$150,000, for the Middleboro Realty Company, and a three story stable with store, \$200,000.

The Bronx plans included four five story flats, to cost \$201,000; two six story flats with stores, \$97,000, and a three story dwelling, \$5,000.

FAST HERRESHOFF MOTOR BOAT. Report That New Flyer Went 85 Miles an Hour on Trial Trip.

motor boat which has been built at The motor boat which has been built at Bridgeport from designs by Charles F. Herreshoff, a nephew of Capt. Nat Herreshoff, was given a trial yesterday, and while no figures were made public it was announced that she had beaten all records for boats of her type and was really the fastest auto boat in the world. Mr. Herreshoff would not talk about the trial, except to say that it was a very satisfactory one and that the boat had gone better than thirty-five miles an hour. The boat has many novel features in her model, is very lightly built of steel and aluminum and is 35 feet long, 4 feet 7 inches beam and 7 inches draft. She is fitted with a 8s horse-power engine.

The boat has been built with much secrecy, and now it is expected that she will be entered in some of the coming races and it will be seen what she really can do. Not much credence is put on her work until the boat shows what she can do in public.

WANTS FITZ TO MEET HART.

Representative of Western Club in Town te Arrange Mill at San Francisco. Negotiations are under way for a fight

Negotiations are under way for a fight between Marvin Hart and Bob Fitzsimmons. A representative of Alec Greggains, who is one of the leading spirits in the San Francisco A. C., is in town and in the past week has had several confabs with the auburn haired puglist. Fitz is satisfied to face Hart, but is unable to arrange a so just now because the Cornishman is about to go on the road in a new play. However, he declares if the inducements offered are sufficient he will give up the footlights and tackle Hart.

"I don't think Hart really desires a fight with me," said Fitz yesterday. "I really fancy that he is fourflushing, but if he is in earnest he is my candy. I am ready to go him a bout of six, ten, twentry rounds or to a finish. I am after the money, and when I see the color of it I will be there ready to do business. But if Hart means to take me on as he says he has got to show me first. He must put up a large forfeit. If the club that secures the mill in case we agree on terms deposits a large amount and guarantees me a large purse I'll even quit the stage long enough to get into trim and fight Hart. I am not afraid of Hart or any other man. And I am not too old, either, as some of my detractors are anxious to have the public understand. In condition I think that I can whip any one outside of Jim Jeffries, and the sconer I get the chance to prove this the better I will like it."

DUFFEY BACK VICTORIOUS. Sprinter Returns From Australia With

New Records and Titles. Arthur F. Duffey, formerly of Georgetown University and holder of the world's record for running 100 yards, has arrived home from University and holder of the world's record for running 100 yards, has arrived home from his long tour of Australia and the English colonies in the South Seas, Duffey had more or less of a hard time in the antipodes at first, but after he worked around into good shape he got his fair percentage of victories. Duffey holds two new champlonships and established three world's records for short distance events.

His records were made on the grass, a favorite course in Australia. Duffey, although unused to the going, ran well under the conditions. He covered fifty yards in 5 2-5 seconds on to sixty yards in 6 2-5 seconds and seventy-five yards in 7 2-5 seconds, all of which are world's records on turf.

Duffey's best performance was his victory over G. A. Widmes, the Australian 100 yard champlon, who had not been defeated before in years. Duffey also took the measure of MacPherson of New Zealand. It is likely that he will campaign in some Eastern meets in this country.
